

## ***Recent Seminar, Workshop and Training Course by JSSI***

April, 1-5, 2013 (at Ankara, Turkey)

Seminar for seismic isolation and vibration control technology.  
Ministry of Health invited JSSI delegates.

Attendance: 100

Opening address by Prof. A. Wada

Jan. 26- Feb. 5, 2016 (at JSSI)

Training Course for Turkish officials from Ministry of Environment and Urbanization, and engineers.

Attendance: 5

Prof. A. Wada (President, JSSI) lectured SI structures.

March, 21-23, 2016 (at Ankara, Turkey)

Seminar for seismic isolation, vibration control and earthquake resistant design.

Attendance: 80

After seminar, with participants.

July 4-15, 2016 (at JSSI)

Training Course of "Seismic isolation & vibration control, and retrofitting" for Taiwanese engineers from CSSI.

Attendance: 9

Dr. S.J. Wang explained "Recent trend of Taiwan SI structures".

Oct. 10-13, 2016 (in Bucharest, Romania)

Seminar for seismic isolation, vibration control and earthquake resistant design.

Attendance: 100

Opening ceremony at UTCB.

Nov., 7, 2016 (at JSSI)

Seminar, "Seismic isolation for architects" by Prof. Andriana Guisasola, Faculty of Architecture, Urban planning & Design, University of Mendoza, Argentina.

Attendance: 15

After seminar, Prof. A. Guisasola and President A. Wada talked each other.

Dec., 8, 2016 (at KSSV)

Keynote speech, "Brandnew information for SI & VC in Japan" by K. Sawada, JSSI

Attendance: 37

After general meeting of KSSV

Dec., 16, 2016 (at JSSI)

Training Course of "Seismic Isolation & Vibration Control " for Korean engineers.

Attendance: 8

Lecturer, Prof. K. Kitajima

Jan., 2017 (at JSSI)

Training Course of "Seismic Isolation & Vibration Control " for Korean engineers.

Attendance: 12

June 12- 23, 2017 (at JSSI)

Training Course of "Seismic isolation & vibration control, and retrofiting " for Shandong Provincial Engineers.

Attendance: 17

Free discussion about SI, VC and ER etc.

July 24, 2017 (at JSSI)

Seminar, "Seismic isolation in Chile" by Prof. Raul Alvarez Medel, Pontifical Catholic University of Chile.

Attendance: 12

Prof. R. A. Medel lectured "Chile SI buildings".

Aug., 7, 2017 (at Penang, Malaysia)

Workshop "Japanese advanced technology in seismic protection for buildings".

Attendance: 100

Seminar room at University SAINS.

Aug., 23, 2017 (at JSSI)

"Intensive training on SI design", -Design for SI structures-

Attendance: 6

Aug., 25, 2017 (at Bandung, Indonesia)

Workshop "Advanced technology in seismic protection for Buildings"

-Seismically isolated systems & vibration control systems-

Attendance: 150

Workshop at East Hall, ITB.

Oct., 30-Nov., 3, 2017 (at Bangalore, Ahmedabad, India)

Workshop,  
"Recent earthquake-resistant design methods with "seismic isolation" & "vibration control" for new buildings & retrofiting of existing buildings".

Workshop at Global Academy of Technology, Bangalore.

Prof. A. Wada talked to audience.

Opening ceremony at seminar room, Lalbhai Dalpatbhai College of Engineering.

Picture after lunch. Attendance: 180

Nov., 17, 2017 (at JSSI)

Training "Recent earthquake-resistant design methods with SI & VC " for Ecuadorian engineers. Attendance:17

Dr. H. Funahara lectured "Liquefaction of soil and countermeasures".
