

## ***Recent Seminar, Workshop and Training Course by JSSI, 2013 to 2018***

April, 1-5, 2013 (at Ankara, Turkey)

Seminar for seismic isolation and vibration control technology  
Ministry of Health invited JSSI delegates.

Attendance: 100

Opening address by Prof. A. Wada

Jan. 26- Feb. 5, 2016 (at JSSI)

Training Course for seismic isolation and vibration control technology  
Prof. A. Wada (President, JSSI) lectured SI structures.

Attendance: 5 from Turkish officials from M. of E. & U. and engineers

March, 21-23, 2016 (at Ankara, Turkey)

Seminar for seismic isolation, vibration control and earthquake resistant design

After seminar, with participants

Attendance: 80

July 4-15, 2016 (at JSSI)

Training Course of "Seismic isolation & vibration control, and retrofitting"  
Prof. A. Wada lectured SI & VC structures.

Dr. S.J. Wang explained "Recent trend of Taiwan SI structures".

Attendance: 9 from Taiwanese engineers of CSSI, Chinese Society of Seismic Isolation & Energy Dissipation

Oct. 10-13, 2016 (in Bucharest, Romania)

Seminar for seismic isolation, vibration control and earthquake resistant design

Opening ceremony at UTCB, Technical University of Civil Engineering Bucharest

Attendance: 100

Nov., 7, 2016 (at JSSI)

Seminar, "Seismic isolation for architects" by Prof. Andriana Guisasola, Faculty of Architecture, Urban planning & Design, University of Mendoza, Argentina

After seminar, Prof. A. Guisasola and President A. Wada talked each other.

Attendance: 15 from JIA & JSSI

Dec., 8, 2016 (at KSSIVC)

Keynote speech, "Brand-new information for SI & VC in Japan" by K. Sawada, JSSI

After general meeting of KSSIVC

Attendance: 37 of Members of Korea Society of Seismic Isolation & Vibration Control

Dec., 16, 2016 (at JSSI)

Training Course of "Seismic Isolation & Vibration Control "  
Lecturer, Prof. K. Kitajima, Nihon University

Attendance: 8 delegates from Korean engineers

Jan., 2017 (at JSSI)

Training Course of "Seismic Isolation & Vibration Control "

Attendance: 12 from Korean engineers.

June 12- 23, 2017 (at JSSI)

Training Course of "Seismic isolation & vibration control, and retrofitting "

Free discussion about SI, VC and ER etc.

Attendance: 17 from Shandong Provincial Engineers

July 24, 2017 (at JSSI)

Seminar, "Seismic isolation in Chile" by Prof. Raul Alvarez Medel, Pontifical Catholic University of Chile

Prof. R. A. Medel lectured "Chile SI buildings".

Attendance: 12 from JSSI

Aug., 7, 2017 (at Penang, Malaysia)

Workshop "Japanese advanced technology in seismic protection for buildings".

Seminar room at University SAINS

Attendance: 100

Aug., 23, 2017 (at JSSI)

"Intensive training on SI design", -Design for SI structures-

Attendance: 6, delegates from Bangladesh

Aug., 25, 2017 (at Bandung, Indonesia)

Workshop "Advanced technology in seismic protection for Buildings"

-Seismically isolated systems & vibration control systems-

Attendance: 150

Workshop at East Hall, ITB, Institut Teknologi Bandung

Oct., 30-Nov., 3, 2017 (at Bangalore, Ahmedabad, India)

Workshop,  
"Recent earthquake-resistant design methods with "seismic isolation" & "vibration control" for new buildings & retrofiting of existing buildings"

Workshop at Global Academy of Technology, Bangalore

Prof. A. Wada talked to audience.

Opening ceremony at seminar room, Lalbhai Dalpatbhai College of Engineering

Picture after lunch  
Attendance: 180

Nov., 17, 2017 (at JSSI)

Training "Recent earthquake-resistant design methods with SI & VC "  
Dr. H. Funahara lectured "Liquefaction of soil and countermeasures".

Attendance:17 delegates from Ecuadorian officials and engineers

Dec., 4, 2017 (at JSSI)

Seminar, "Seismic isolation & vibration control for buildings in Japan"

Attendance: 8 delegates from China Aviation Planning and Design Institute, P.R. China

March 7 to 13, 2018 (at JSSI)

Seminar, "Recent earthquake-resistant design methods with "seismic isolation" & "vibration control" for new buildings & retrofitting of existing buildings"

Attendance: 9 from Indian professors and engineers

May 14, 2018 (at JSSI)

Training course of "Seismic isolation for buildings"

Attendance: 18, delegates from Korean engineers

July 13, 2018 (at JSSI)

Workshop, "Recent seismic isolation & vibration control in two countries"  
Discussion for SI technology

Attendance: 9, 6 from Guangzhou university, 3 from JSSI

July 17, 2018 (at JSSI)

Seminar, "Seismic isolation technology"  
lectured by Mr. K. Sawada, Executive Director, JSSI.

Attendance: 12 delegates from Zhengtai Group, P.R. China
